## Personal Life Stage

- ◆ Personal Life Stage or Personal Year: Add the birth month and birth day to the current year. Your personal year changes on your birthday. So for that period of 2017 that is before your birthday, use the prior year's Universal number which is 9. From your birthday to the end of the year, use 1 for the current year.

Examples:

$$\text{August 8, 1961} = 8 + 8 + 9 = 25$$

$$\text{Reduce to single digit: } 2 + 5 = 7$$

7 is the personal year up till August 7

From August 8 onward, use the new current year number

$$\text{August 8, 1961} = 8 + 8 + 1 = 17$$

$$\text{Reduce to single digit: } 1 + 7 = 8$$

8 personal year after birthday
